2020 BARGAINING UPDATE #46 – February 4, 2020

Coast Bargaining Committee - News Release

MEDIATORS TO REVIEW USW & WFP POSITIONS

Both parties met separately with the Mediators (WFP on Sunday and USW on Monday) to review our respective positions with them.

The Mediators advised that they want to evaluate the parties' positions and consider the points raised before determining the next step in the process.

We will next update the membership when we hear back from the Mediators.
