

Port Alberni, B.C. - November 7, 2022 – Members of the Huu-ay-aht First Nation, the United Steelworkers Local 1-1937, the newly created Navalign Forestry Management Team, and C'awak ʔqin Forestry met in Port Alberni to discuss a joint vision on how to advance the relationship and make the new 2023 – 2027 Woodlands Contract successful moving forward.

Guided by the Huu-ay-aht's Sacred Principles: ʔiisaak (Utmost respect), ʔuuʔaʔuk (Taking care of), and hišuk ma c'awak (Everything is one), it was a beneficial meeting that will help shape how we will move forward together, as one.

C'awak ʔqin Forestry does not expect any work disruption as we transition to the new 2023 Woodlands Letter of Understanding with the United Steelworkers.

C'awak ʔqin (pronounced sa-wa-kin) Forestry, means 'we are one' in the Nuu-chah-nulth language.
