To all USW Members working in the Construction Industry:

Hello Sisters and Brothers,

As you are aware, our current Construction Industry Collective Agreement will be expiring on June 14th, 2019, and the Local Union is now preparing to commence negotiations with Forest Industrial Relations, who will again be bargaining on behalf of the Companies.

As part of our preparations, the Union will be conducting Contract Resolution Meetings with our members in order to find out what the priorities of our members are for bargaining in this round of negotiations.

Meetings will be held at both our USW Local Union offices in Burnaby, BC and Duncan, BC, at the dates and times below:

MAY 23RD, 2019, 3:00 PM

USW LOCAL 1-1937 OFFICE, BURNABY BC

#301-8988 FRASERTON COURT, BURNABY BC

JUNE 8TH, 2019, 10:00 AM

USW LOCAL 1-1937 OFFICE, DUNCAN BC

It is very important that you as a member of the Union attend one of these meetings in order for you to have your voices heard and to provide resolutions for bargaining that address your specific issues and concerns.

The Bargaining Committee will be comprised of:

Rick Nelson, First-Vice President USW Local 1-1937
