

UNITED STEELWORKERS LOCAL 1-1937

Representing Sodexo workers in coastal BC

What's going on and why it matters to VOTE YES

- We have a ratified, voluntary recognition collective agreement in place, covering wage increases, health care benefits, shift premiums and more.
- BUT due to Unite Here Local 40's interference, the Labour Relations Board is ordering a series of certification votes.
- The first was for Unite Here, which already concluded.
- The next / current ballot is for USW Local 1-1937, which starts Thursday, July 16 at 3:00pm (and ends on Friday, July 17 at 3:00pm).
- We know this is frustrating, that's why USW is working hard to ensure you can keep your union contract.
- Our position is that the USW and our Collective Agreement are already in place for workers at Sodexo at Cedar Valley Lodge.
- To make sure we are all successful in keeping the USW and Collective Agreement at Cedar Valley Lodge, it is important to vote YES so that you can get back to working, safely, under the terms and conditions of your collective agreement.
- USW 1-1937 is asking you to vote "YES" to representation with USW Local 1-1937 in the electronic ballot, starting today at 3:00pm.

**Vote "YES" to protect your union representation
and USW Collective Agreement.**
