**RE: EMPLOYEE PAID RRSP**

It has been brought forward that there is interest in employees participating in a Registered Retirement Savings Plan. If the majority of employees confirm active participation (IE: contribution authorization) to the Company sponsored plan, then the Company has agreed to a payroll deduction for the plan, should this plan be enabled.

To be clear, there is no contribution from the Company, it is a savings plan for you, deducted from your own paycheque.

If you would like to participate please email your full name, position, and ask to participate in a RRSP, to [dpalmer@usw1-1937.ca](mailto:dpalmer@usw1-1937.ca).

If the majority of employees are interested, the Company will then need contribution authorizations to act on the requests.

This notice will be posted for 4 weeks to ensure all employees have opportunity to email their request to participate.

In Solidarity,
