

INTERNATIONAL ELECTION RESULTS IN USW LOCAL 1-1937

Scott Lunny Campaign Declares Election Win

November 29, 2021

On November 23, our Local Union conducted a vote as part of the USW International Election for the position of United Steelworkers District 3 Director.

Our Local had 72 polling locations throughout the Local Union from Terrace to Powell River to Vancouver and Victoria to Holberg on Vancouver Island.

On behalf of the Local Union, I want to commend all of our members who agreed to act as Local Union Tellers in conducting the balloting and tabulation within our Local Union. A great job was done by all in conducting this election.

The unofficial results within our Local Union are as follows:

Scott Lunny **1527**

Steve Hunt **189**

Spoiled **16**

The unofficial voting results in all USW Locals across District 3 (Manitoba to BC including the Territories) are **Scott Lunny 4854 – Steve Hunt 2480 - 71 spoiled**.

While not official until the International Tellers review the results, Scott Lunny's Campaign is claiming the election victory. Preliminary results look like a 2-1 margin for Scott Lunny across the District.

On behalf of our Local Union, of which Brother Lunny is a member, I want to congratulate him on his election win. We will post official results to our Facebook page and Website when they become official.

In Solidarity,
Brian Butler
President
