

UNITED STEELWORKERS LOCAL 1-1937

Representing Sodexo workers in coastal BC

Getting results for Sodexo workers.

"The union went to bat for me. I took the time to talk to Dusty and got her the information she needed to help. She got me \$9,000.00 back for improper lay-off."

Alice Martinot
Culinary Department

"Dusty has been fair and diplomatic in our dealings. The union had my back when I needed it. I received back pay of \$3,500.00 and my layoff was corrected."

Crystal Douglas
Lounge Department

"I got reimbursed \$537.42 on my night shift premium because USW got it for me and other employees in a group grievance."

Netta Lamping
Culinary Department

"It took several months to get our dual-ticket premiums, but Dusty got us retroactive backpay. If it weren't for USW Local 1-1937, we wouldn't have had a chance."

Carlos Argueta
Maintenance Department, Shop Steward

"I had USW support the whole time I worked for Sodexo. I was able to participate in their education programs and learned a lot. If it wasn't for Dusty and the union, I would not have had a job."

Laura Stehr
Ex-Lounge Department

"USW 1-1937 has been very informative and honest in all of my dealings. Any questions I have brought forward have been answered quickly without delay."

Wilfred Maitland
Housekeeping Department
