

UNITED STEELWORKERS LOCAL 1-1937

Representing Sodexo workers in coastal BC

Dear Sodexo Friends,

Meet with a USW representative who will be on-site at Cedar Valley Lodge on **November 9th from 11:30am to 8:00pm** and **November 10th from 9:00am to 5:00pm** in the board room beside the lobby. Take this opportunity to receive information on any questions you may have. We invite all Sodexo workers to stop by the boardroom to meet a USW Business Agent. With all the misinformation that has been circulating, this is a great opportunity to get the facts.

You currently are **WITHOUT** a contract. USW is the only Union that can begin bargaining a new collective agreement for you within the 10-month decertification ban.
