# USW LOCAL 1-1937 UPDATE

### BARGAINING UPDATE #24 – January 16, 2023

Dear Brothers and Sisters,

#### BC LABOUR RELATIONS BOARD AGREES WITH USW LOCAL 1-1937

At 2:36 pm today (January 16, 2023) the BC Labour Relations Board issued a decision on how the remaining six issues in collective bargaining between the USW and Newcrest, will be decided.

The LRB determined that a single arbitrator will decide the outstanding issues as was proposed by your Local Union.

Newcrest and the USW now have ten (10) days to agree upon an arbitrator and if they fail to do so, the LRB will appoint one.

This is a major step forward for all USW members working for Newcrest who will have their collective agreement finalized by the appointed arbitrator.

We will advise more about how the arbitration process will unfold as soon as an arbitrator is appointed.

While this is great news, we ask all members to remain focused on safety in the workplace.
