# USW LOCAL 1-1937 UPDATE

**BULLETIN – May 2, 2024**

Dear Sisters and Brothers,

USW Local 1-1937 update on the ongoing payroll issues.

We have had our first meeting with the company and the mediator and brought forward a long list of payroll issues. The mediator gave the company until May 10<sup>th</sup>, 2024, to correct these payroll issues before we meet again.

Some of the continuing errors have been addressed and others are still being worked on by the company. We remind everyone that the grievance process is the best way to keep a record of any future errors. If you are still having issues with your pay after May 10<sup>th</sup>, please file a grievance with your supervisor at the same time you are inquiring with payroll to be sure we have these errors on record and are starting the timeline in the grievance procedure.

I will keep you updated as this progresses.

In solidarity,

Nolan Paquette, [npaquette@usw1-1937.ca](mailto:npaquette@usw1-1937.ca)
