UPCOMING UNION MEETING WEDNESDAY, APRIL 8th, AT 10:00 AM

Hello Members,

I received a response from the owners of Coulson regarding the previous meeting on March 9th, 2026, and the proposal that was presented and voted down.

They have stated that following an internal review, they have put forward their best proposal, and at this time, there is no alternate option being developed for membership to review.

With that being said, I would like to hold a meeting at the Port Alberni office on Wednesday, April 8th at 10 am to discuss with the crew if there is an alternate proposal that would be agreeable to send to the Company.

Please attend this meeting so that we may discuss.

Thank you.

In Solidarity,
