Dear Members:

Mayor Rob Douglas has advised that Member of Parliament Jeff Kibble has reached out to him to gather information to advance through the appropriate channels regarding the twenty (20) additional weeks of EI for members impacted by the tariffs.

MP Kibble is requesting the **Name, Contact Information (phone number or email), and EI status** of any members who were **unable to receive or were denied the additional 20 weeks of EI**. This relates to the EI applications submitted in late March or early April of last year, following the initial two (2) week curtailment at Chemainus.

If you believe you were affected, please contact **Brian Bull or me** with the requested information. I will compile the details and forward them to MP Kibble in an effort to seek a resolution through this process.

In solidarity,
