2024 FOREST INDUSTRY WAGE & CONTRACT RESOLUTION FORM

WRITING RESOLUTIONS

It is important that Members understand the importance of properly wording Resolutions to accurately reflect the wishes of the Membership. If they are not properly worded, they will be ruled out of order.

Every Resolution must be endorsed by a duly posted Sub-Local Meeting or by the Local Union Executive Board.

You can submit Resolutions to the Wage & Contract Conference on a variety of subject matters; however, it is important when writing Resolutions that you do not deal with more than one subject per Resolution. Highlight the subject matter, present your reasoning in the “WHEREAS” and then present your ideas in the resolve. It is very important to remember that the “THEREFORE BE IT RESOLVED” must stand on its own. In other words, if that section is the only part that is read, everyone, including the Local Union, will understand what you want changed or implemented and how you would like to see it done. The sample below is a properly worded resolution.
